

# What to do if Your Blackboard Course Menu is not Appearing

(aka “Stuck on the Dashboard/Course Homepage”)

-Mike Welker, Distance Learning Coordinator

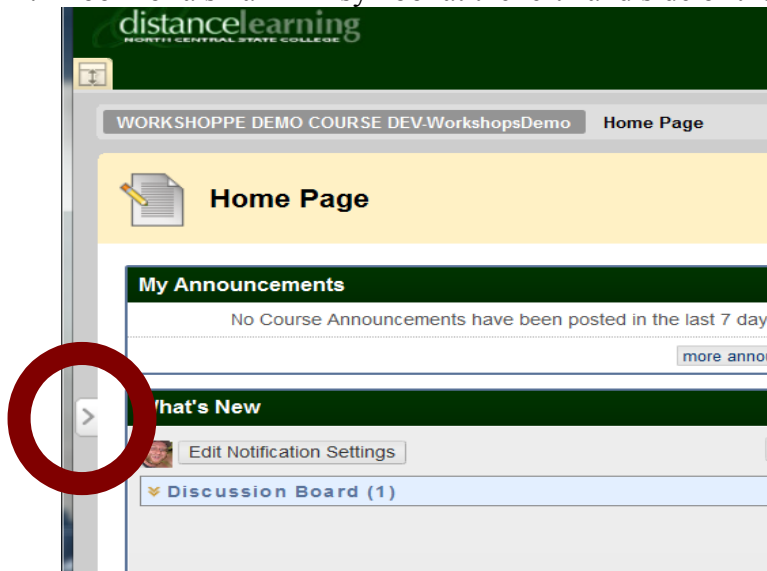

Rev. 10/11

Intro: After logging in to your Blackboard course site, if you may find that your course menu has disappeared and you are unable to access areas as directed by your instructor. This may be because you have accidentally clicked an optional feature to Hide the Course Menu. Follow the procedure below to unselect this option.

Assumptions – This document assumes :

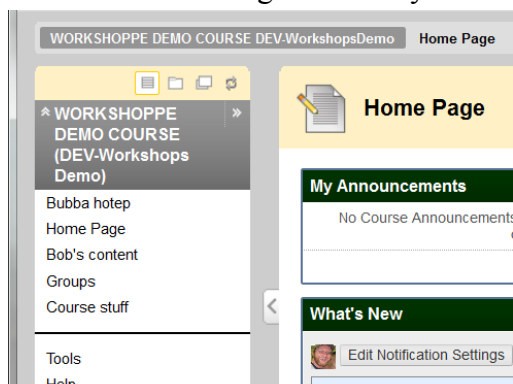

- ⚠ You are familiar with how to login to Blackboard
- ⚠ You are unable to see your Blackboard course site's course menu.

1. Look for a small “>” symbol at the left hand side of the page:

2. Click the “>” symbol.

Note: this will change to a “<” symbol and your course menu will appear.
